

RELIGIOUS LEADER'S REFERENCE FORM

In support of an application for admission to St Michael's School Nursery 2018-2019

Please read the following notes before passing this form to your Religious Leader.

- **THIS NOT AN APPLICATION FORM.** Common application forms are available on the school website.
- Please hand your completed Religious Reference Form to your Religious Leader.
- Please also provide a stamped envelope if possible, addressed to the school so that it can be sent directly to the school office once your Religious Leader has signed it.
- Please ensure that the applicant's name is exactly the same on this form and the application form.
- Please refer to the school's published 'criteria for admission' for full details of the points system used by the school to award places.
- If you are new to the area and have only recently been attending the place of worship listed in section 2, you are strongly advised to obtain a second reference from your previous place of worship.
- Applications for places in Nursery must be received by the school on or before 1st December. Applications for places in Reception must be received by the Haringey closing date. It is your responsibility to ensure that all necessary papers are received by the school before this date.
- Please remember that a separate religious leader's reference is required for each application made to the school. Any reference form submitted for a place in the Nursery cannot be used to gain a place in the main school. A new, up to date reference will be required.
