YEAR 3 MATHS TARGETS - ('Tick IN THE
BOX' when achieved consistently in School
$\mathrm{P}=\mathrm{PUPILS}, \mathrm{T}=$ TEACHERS)

NAME $\qquad$
CLASS $\qquad$

## Number \& Place Value

I can count from 0 in multiples of $4,8,50$ and 100 and can find 10 or 100 more or less than a given number.

I can recognise the place value of each digit of a number with hundreds, tens and units.

I can find, show and estimate numbers using objects and pictures.

I can read and write numbers up to 1000 in numbers and words.

| P | T |
| :---: | :---: |
| I can solve number and word problems. |  |

| P | T |
| :--- | :--- |

I can add and subtract numbers in my head, including a three digit number and ones.

| $P$ | $T$ |
| :---: | :---: |

I can add and subtract numbers in my head, including a three digit number and tens.

| P | T |
| :---: | :---: |

I can add and subtract numbers in my head, including a three digit number and hundreds.

| $P$ | $T$ |
| :---: | :---: |

I can add and subtract numbers with up to three digits using formal column methods.

| P | T |
| :---: | :---: |

I can estimate the answer to a calculation and use this and inverse operations to check answers.

I can solve problems, including missing number problems, using number facts, place value, and more complex addition and subtraction.

Multiplication \& Division

I can recall and use multiplication and division facts for the 3,4 and 8 times tables.

| $P$ | $T$ |
| :---: | :---: |

I can calculate multiplication and division problems, both mentally and in writing, using the times tables, including two digit numbers times one digit numbers.

| $P$ | $T$ |
| :---: | :---: | number problems, involving multiplication and division, including factors and ratio.

## Fractions

I can count up and down in tenths, and know that tenths are made by dividing an object into 10 equal parts and dividing one-digit numbers or quantities by 10.

| $P$ | $T$ |
| :---: | :---: |

I can write and find fractions for a set of data and can recognise fractions with small denominators.

I can find and use fractions as numbers e.g. $1 / 4$ of $8=2$ and $3 / 4$ of $8=6$.

| P | T |
| :---: | :---: |

I can identify and show equivalent fractions.

I can add and subtract fractions with the same denominator within one whole.

| $P$ | $T$ |
| :---: | :---: |
| Ican compare |  |

I can compare and order fractions with the same denominator.

| $P$ | $T$ |
| :---: | :---: |
| I can solve fraction problems. |  |

| $P$ | $T$ |
| :---: | :---: |
| Measurement |  |

I can measure, compare, add and subtract: lengths ( $\mathrm{m} / \mathrm{cm} / \mathrm{mm}$ ); mass ( $\mathrm{kg} / \mathrm{g}$ ); volume and capacity ( $1 / \mathrm{ml}$ ).

| P | T |
| :---: | :---: |

I can measure the perimeter of simple 2-
D shapes.

I can add and subtract money, giving change and using pounds and pence. I can do this with real coins and notes.

| P | T |
| :---: | :---: |

I can tell the time on a clock face. I can do this if it uses Roman numerals from I to XII, and I can use 12-hour or 24 -hour clocks.

| P | T |
| :---: | :---: |

I can estimate and read the time to the nearest minute.
I can record time in seconds, minutes and hours. I can use the words o'clock, a.m.,
p.m., morning, afternoon, noon and midnight.

| $P$ | $T$ |
| :---: | :---: |

I can tell you the number of seconds in a minute and how many days there are in a month, a year, and in a leap year.

| P | T |
| :---: | :---: |

I can compare how much time is taken by different events or tasks.

## Properties of Shape

I can draw 2-D shapes and make 3-D shapes using modelling materials. I can recognise 3-D shapes in different orientations.

I can recognise angles as properties of shape. I know that angles are a description of a turn.
$\square$

I can spot right angles. I know that two right angles make a half-turn, three make three quarters of a turn and four make a full turn. I can spot when angles are greater or less than a right angle.
 pairs of perpendicular and parallel lines.

## Statistics

I can interpret and present data using bar charts, pictograms and tables.

| P | T |
| :---: | :---: |

I can solve one-step and two-step questions e.g. 'How many more?' and 'How many fewer?' using information presented in scaled bar charts, pictograms and tables.

| P | T |
| :--- | :--- |

MY STEPS
