Friday 8th February 2019.

Please print, cut out and stick in your homework book neatly.

1) Write the am and pm times on a 24 hour digital clock for these times:

2) Write 6 word problems where the answer is one of the clocks above.e.g. If a show starts at 5:30pm and lasts 20 minutes, what time will it finish?

3) Revise your times tables: cut out and stick in the grid, time how long it takes you.
