

Friday 6th December 2019
Activities to Help Your Child at Home

(This experience can be done in and around the home and assists your child's development)

This half term our theme is 'Celebrations'

This week's red word is 'put'

The sounds of the week are **z, ch, qu, x, ng, nk**

Celebrations

Activities to choose from:

- We have been learning the Story 'Merry Christmas Splat'. In the story Splat the cat writes to Santa to ask for some presents. Can you write a present list to Santa asking what you would like for Christmas? Use your phonic sounds to help you with your writing.
- We have been learning about 3D shapes this week. Go on a shape hunt around your house! What 3D shapes can you find? As an extension sort them by different criteria – whether they slide or roll or how many faces or edges they have!

Vocabulary: solid, cone, cuboid, cube, cylinder, sphere, list, Santa, Christmas, present

Resources: pen, pencil, 3d real life objects from around the house

Thank you,

The Reception Team
