

Week Beginning 30.03.20

Here is an overview of your learning timetable for the upcoming week. It does not matter what order you complete your lessons in, just ensure that all work is done before the end of the day. Just as we do in school, you must also make sure you give yourself regular breaks and time to relax before starting the next task. We will upload new work each day, along with any help you might need: links, explanations, mark schemes. We understand that you may not always have time to complete all tasks. The important thing is you have fun, try your best and keep learning with us!

Subject	Monday	Tuesday	Wednesday	Thursday	Friday
English (1 hour) <i>A new worksheet will be uploaded for each day.</i>	LO: To know how to identify and use expanded noun phrases.	LO: To know how to write a list poem.	LO: To know how to write a cinquain.	LO: To know how to write in strict verse.	LO: To know how to write a free verse poem.
