Dear Parents and Carers,

### **Consent – Use of Digital Images**

We are very proud of our pupils and take every opportunity to celebrate their progress and achievements with the school and wider community. We do this in a number of ways including the photos and videos on our website, newsletters, school displays, local newspapers and social media. These sources provide a record of the wonderful memories and make a valuable contribution to the life and morale of the school.

Going forward, to comply with recent changes to GDPR, we need to ask for your explicit consent to use images and videos of your child.

Please read our updated Use of Digital Images Consent Policy. Please note consent cannot be by omission, we require all families to complete the form accessible via this link <https://goo.gl/forms/wgWjoKmNTBmj3J702>.

Yours Sincerely,

A handwritten signature in blue ink that reads "Gallagher".
