

LO: To know how to make inferences from a non-fiction text.

Please read the text entitled 'Diary from the Beagle'. You can complete the questions on a printed worksheet, in a notebook or on a Word document – it's up to you!

Once finished, please **mark your work using the mark scheme**. If you have any questions you found tricky we will be able to see in the uploaded document. Or you can tell us about it in your upload note.

What do the letters mean?

The questions in the comprehensions are not numbered but labelled with a letter from VIPERS. These letters correspond with key reading skills. Many schools use these codes in reading lessons so lots of children will be familiar with them.

If your child is not familiar with the letter codes, then do not worry – it is just highlighting the skill for them.

If you would like to read more about VIPERS then there is an explanation on our blog here:
