

Homework Project - Significant Figures!

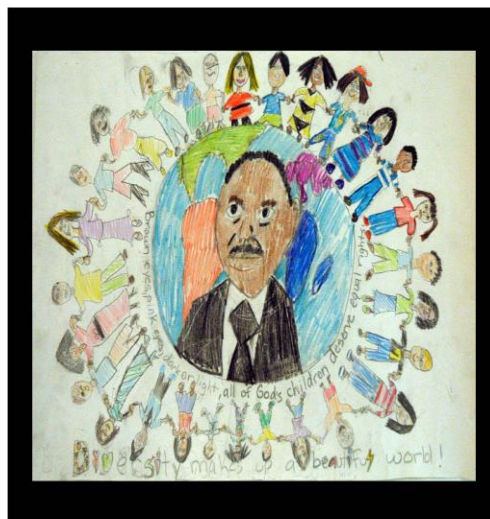

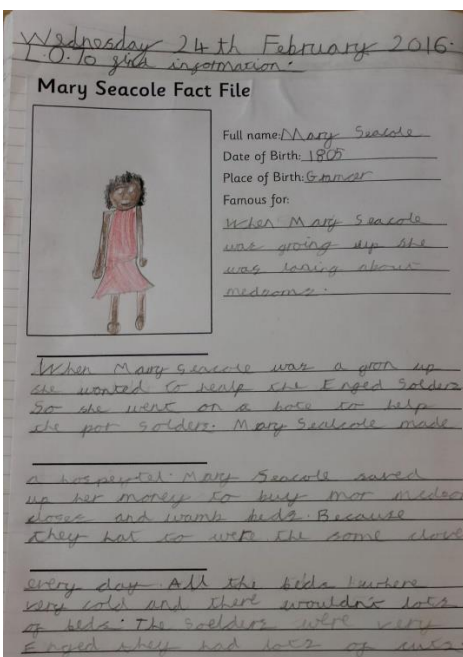

This Summer term we had planned to have a special dress-up day to celebrate the installation of the magnificent and beautiful timeline in the KS1 Playground.

Sadly, we will have to postpone this day until we are all back together again. **HOWEVER** we want you to get thinking about who you would like to dress-up as by completing a project of a significant person from history. This can be someone from very recent history like the climate change activist Greta Thunberg or going much further back in time to the ancient Greek poet Homer.

Your project will consist of three parts:

1. Make a fact file by writing a biography of this person and include why they are remembered and why you chose them
2. Create a piece of art related to this person. You can use any materials you like. It could be flat like a portrait painting or a 3D sculpture using recycled materials
3. Create a game related to this person. Examples of game could be a board game, a quiz, a word search or crossword

You may want to focus on a person you have already learned about at school or someone you have seen on Horrible Histories. If you're not sure, the books below are full of short stories about inspirational people that can help you to decide.

We know families are working to their own timetable dependent upon their own home or work circumstances so have extended the project deadline to Friday 1st May. Please send in photographs, but remember to capture a picture of the writing, art, models or games only. Make sure an adult checks that the photograph is okay before submitting via LGFL MyHomework. Once we are all back together again, you will be able share your projects with your friends at school. We look forward to seeing your wonderful creations!

Best wishes,

Mrs. Kelly-Jay and Mr. Davenport
