

## Film Club – Lockdown Edition: Films for Week Beginning 08/06/20

This week, four animated films that have a habit of getting overlooked. One is a space-apocalypse sci-fi chase, the other takes place almost entirely within the human body, the third imagines a boy getting lost inside classic literature, and the fourth is a sort of Russian Cinderella with attitude.

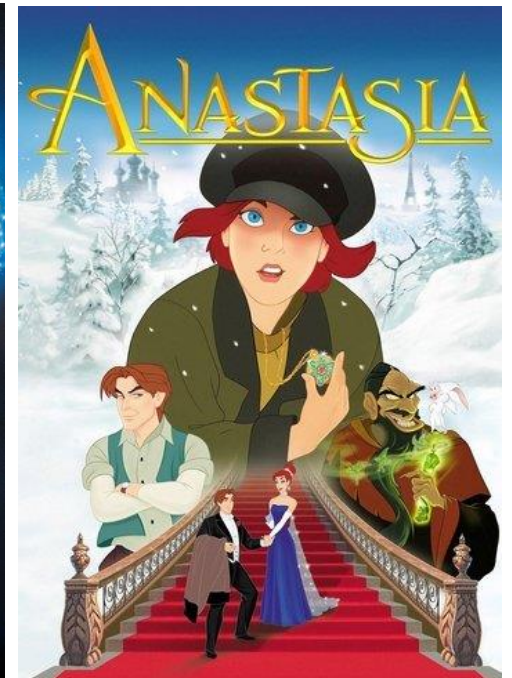

Titan A.E. (PG, 2000)

Osmosis Jones (PG, 2001)

The Pagemaster (U, 1994)

Anastasia (U, 1997)
