

27th September 2021

Monday Message

Dear Parents and Carers,

Thank you for supporting our History Week. It was so good to see all the amazing dress up creations and how excited the children were when using the timeline. Each class focused on a different period of history all week through creative learning opportunities. (There was certainly a lot of cardboard being brought into school, thank you.) We will share these in our newsletter coming out soon.

Events this week are:

Parents information meetings at 5pm

- Reception Monday 27th September 5pm Zoom
- Year 3 Tuesday 28th September 5 pm Google meets
- Year 1 Wednesday 29th September 5 pm Google meets

St Michael's Church Service led by Year Four with Year Five in attendance.

You are welcome to bring siblings of pupils in Year Four. They should go directly to the church and sit with you. After the service please walk them to school where we will meet you in the top playground to take them into school and register them.

- Thursday 30th September 9:30 start

This week's collective worship we will be focusing on our school value of Endurance, and from the Bible - James 5:13-20 *We all need each other, valuing the gifts each person brings.* Through the Unicef Rights of the Child, Articles 28 & 29 A right to an education.

Next week individual and sibling photos are booked in for Wednesday 6th and Thursday 7th October.

Have a good week.

Best wishes and keep safe,

Fran Sorapure
Head of School
