Message from our Head of School

Dear Parents and Carers,

A quote from Max in Deutscher class assembly *"Anansi knew that you should never underestimate the big things that can be achieved by little creatures"* had a huge impact on me today. It was another joyful assembly with important messages, of working together, sharing experiences and learning from one another. Our vision is *"We believe our children's future is created every day. Every moment counts."* was clearly demonstrated this morning by the children and staff, thank you. You can also see it being lived out the small snap shots in this week's Roundup Newsletter:

Bikeability

The children of Year 4 enjoyed participating in bike ability this week. They learned the basic skills of bike safety and all completed the level 1 badge and certificate.

Deutscher Class Assembly

We were treated to a wonderful performance by Deutscher Class today. Drawing on their learning in RE, English and Geography, they performed Creation and Anansi stories from India and West Africa. They worked so hard and acted so well together. They should be very proud of themselves.

Here are some pictures.

Year 1 Smyth & Year 3 Bushell Class Buddy Reading

Year 1 Smyth and Year 3 Bushell had a fantastic session meeting each other for Buddy Reading. Year 3 were great role-models and were very impressed by the reading skills of their Year 1 buddies!

Early Years

This week in Reception we had a visit from Solomon's parents, Marrita and Shota, who told us all about being fashion designers. They told us about the materials they use and showed us some AMAZING colourful designs.

We also had a visit from Penelope's mum, Kitty, who told us about how we can look after ourselves and our emotions. On Friday we had a visit from Ananth's mum, Gunjan, who told us about Holi festival. We learnt that people celebrate Holi using lots of colours. We had a go at creating amazing Rangoli patterns using dried marigolds and hibiscus flowers and powder colours. It was so much fun!
