Message from our Head of School

Dear Parents and Carers,

The school felt full of summer term energy with Year Five rehearsing for next week's Easter Service at St Michael's Church, plus all the children looked so bright and happy in their dress up to remember St George this morning. On the last day of term Mr Holt, Ms Taglight and some lucky parents and I were at the Royal Albert Hall listening to an evening of fantastic live music from choirs and musicians from all over Haringey, a truly unforgettable evening. Our choir did us proud. Next time the younger members of the choir will take part, really something to look forward to!

Can I remind everyone that we are closed for a Polling Station on Thursday 5th May and the parents sign up sheet for face to face parents' meetings have been sent on Scopay.

Have a great weekend.

Royal Albert Hall Concert

On the last day of term, as most of the school were heading off on their Easter holiday, 30 members of the school choir were heading to the Royal Albert Hall for what was to be a truly memorable evening. They were singing as part of a combined choir with 40 other primary schools from across the borough, taking part in the Haringey Schools Music Festival. For many, it was the first time that they had ever been inside the Royal Albert Hall - and what a way to experience it.

The concert featured Haringey young musicians performing everything from Western Classical to the Steel Pans via Grime, African drumming and modern pop. The concert finished with the combined choir, accompanied by all of the evening's instrumentalists, performing the new composition 'Songs for Unsung Heroes'. This mass ensemble of over 2000 young performers was a once in a lifetime experience and something that I am sure all of those involved will never forget.

After such a long hiatus due to Covid, our school choir keeps going from strength to strength. We currently have around 60 members, but are happy to welcome even more children from Years 3 and above. With five concerts already planned for this term, including making an album, now is the perfect time to sign up.
