

Dear Parents and Carers,

Monday 9th 2022

I hope you enjoyed looking at all the photographs on Friday taken during the school elections and we announced the winners today. The **Design and Technology Party** won by good majority with 147 votes. We are planning a creative DT week in addition to our STEAM week next term. We shared the results making maths meaningful and purposeful to the children and it's interesting to see the results overall. This has given our children an experience of the democratic process from start to finish and had fun in the process.

This week Year Six are working hard on their SATs assessments, something the children have not taken since Summer 2019 and we are so proud of all they have achieved and the positivity and support from you and their teachers. Year Two continue their teacher assessments throughout this month of May. Year Four will be taking the Multiplication Assessment in June and Mr Braune our Maths Lead has invited parents and carers of Year Four pupils to attend a virtual information meeting on Thursday at 5:30.

Key dates this week

Monday 9th	SATs Yr 6
Tuesday 10th	SATs Yr 6
Wednesday 11th	SATs Yr 6 Yr 5 Swimming
Thursday 12th	SATs Yr 6 Clergy Assembly KS1 Multiplication Information meeting 5:30 virtual meet Year 3-4 Quad Kids Athletics Event - New River Stadium. Yr 6 trip Hampstead Heath Geography
