

Dear Parents and Carers,

Monday 16th May 2022

On Tuesday at 5pm, the Year Six team will be holding a parent's information evening in the Junior KS2 hall about the forthcoming PGL residential trip where you can ask any final questions to our experienced staff.

Thank you for all your recent support and fundraising for the new running track, it has already been a great P.E. resource. Next week, on **Tuesday 24th May**, it's the official opening and you are all invited to come and see the running track in action throughout the day. I attach a letter from Mr Whiting on page 2, telling you when your child's class will be on the field.

We will also be celebrating the Platinum Jubilee next week with our Royal St Michael's Proms Assembly where the children can dress up in the colours of the Union Jack and get imaginative with their designs - this gives you time over the weekend to get creative. I will post a video on our school website after the event as unfortunately, as we are not in the Albert Hall, there is limited space for guests. There will be class picnics all week, a royal school lunch and lessons on British Values and the history of our monarchy.
