KS2 Pupil Acceptable Use Agreement

These rules will keep me safe and help me to be fair to others:

- I will only use the school's computers for schoolwork and homework.
- I will only edit or delete my own files and not look at, or change, other people's files without their permission.
- I will keep my logins and passwords secret.
- I will remember to removed my account when logging off the Chromebook.
- I will not bring files into school without permission or upload inappropriate material to my workspace.
- I will not use social networks in school, I am aware that some have age restrictions and I should respect this.
- I will follow school instructions on which sites I can use.
- I will use appropriate avatars and backgrounds on my google account.
- The messages I send, or information I upload, will always be polite and sensible.
- If I use the internet or email at school or at home I will not give my home address, phone number, send a photograph or video, or give any other personal information that could be used to identify me, my family or my friends, unless a trusted adult has given permission. I will never arrange to meet someone I have only ever previously met on the internet, unless my parent/carer has given me permission and I take a responsible adult with me.
- If I see anything I am unhappy with or I receive a message I do not like, I will not respond to it but I will immediately show a teacher / responsible adult/ parent at home.

I have read and understand these rules and agree to them.
