Message from our Head of School

Dear Parents and Carers,

Year 6 arrived back from their residential trip today and we look forward to hearing all their news at the PGL assembly next Friday. I have put the Jubilee celebration video on your child's Google Classroom and thank you to everyone that made it such a lovely, memorable week.

I hope many of you are able to go to the Fair in the Square on Saturday and can be at the main stage at 1pm to support our wonderful St Michael's Show Choir.

See you there and have a great weekend.

Fran Sorapure

Year 4 Maths Enrichment Day at Highgate School

We were fortunate to have eight Year 4 students go for a day of mathematical puzzles and challenges at Highgate this week. They all had a fabulous time.

"Today was amazing. I was challenged and the teachers were really nice." - Aarez

"Today was fun because we got to play Maths games." - Sam C

"I really enjoyed Highgate because you had really inspiring and interesting Maths problems and solutions." - Diana

"I enjoyed it when we had a relay race of Maths problems. Even though my team didn't win, I still had fun." - Erin

"We got to do a number crossword and did some fun Maths." - Henry

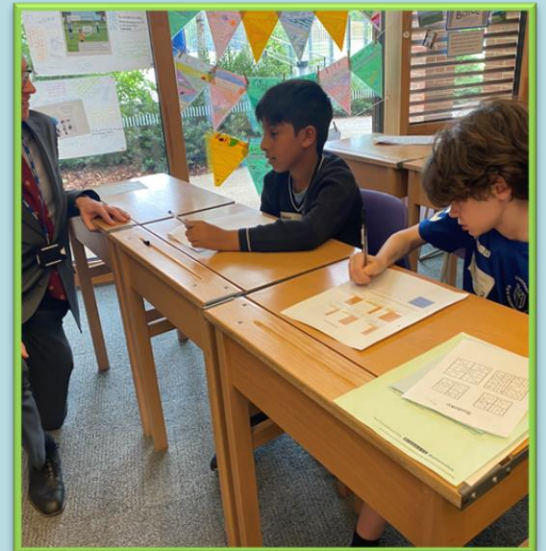

"During the Maths challenges, we worked on coin flips. I loved it!" - Bennie

"We did logic puzzles, using cards and coins. We did the best working as a whole group." - Lamiya

"We did three different challenges in the morning. The bridge one was my favourite." - Imi

Year 5 Maths at Highgate School

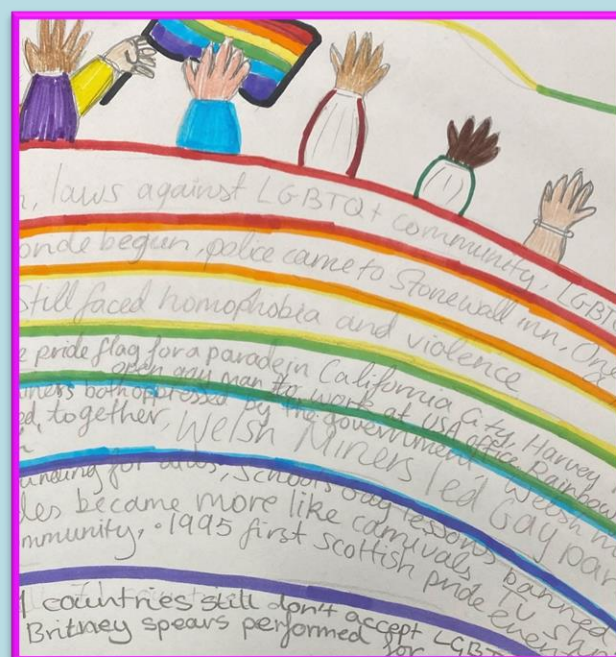

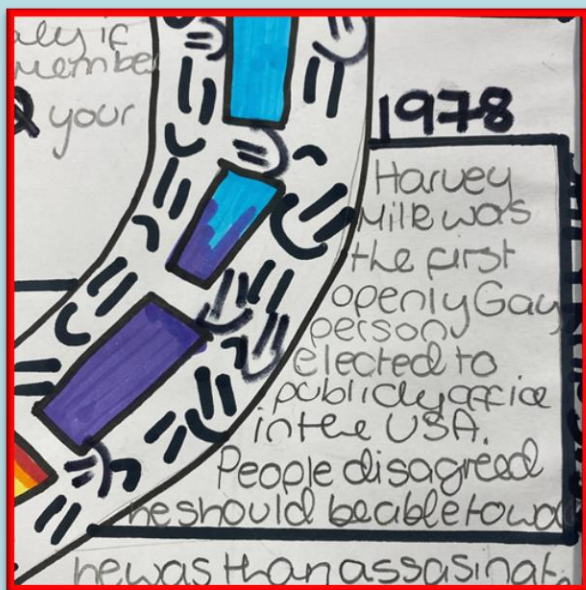

Yesterday 12 of our Y5s went to Highgate for a day of math's investigations and workshops. They were run by the senior school math's teachers. In the morning, there were a series of workshops, followed by an afternoon of math's crosswords and relays. Things became very competitive and out of 60 children a St Michaels team took both 1st and 2nd spot.

Year 5 PRIDE lessons

Y5's current English book is centred around PRIDE. The children researched the origins of the stonewall movement, the creation of the well-known flag and the outcome was beautiful and informative timelines.

We really enjoyed learning all about the key figures such as Harvey Milk and discussed how even though there is less discrimination it still exists today.

Year 1 Pollock's Toy Museum Visit

Year 1 thoroughly enjoyed their visit from Jack from Pollock's Toy Museum. All children enthusiastically spoke and asked questions about the toys brought in. Year 1 made sure to handle the important and fragile Victorian artefacts with incredible care. Well done Year 1!

Please remember that every child has been invited to visit the museum and received their free ticket.

Reception

This week in Reception we have been learning about space. Here the children are exploring the space stations that have been set up in our classrooms, writing letters to Astro Ted and creating some beautiful planet artwork.

Ukrainian Benefit Fundraising Evening

AT ST MICHAEL'S HIGHGATE
JUNE 18, 2022
6 PM (WITH INTERVAL)

100% of tickets sales donated to UNHCR

£20 & £10: Reserved seating tickets

School vision

We believe our children's future is created every day. Every moment counts.

Brought to life through our mission

To nurture and inspire our children to develop a love of learning in a supportive Christian community and become the best they can be.

Underpinned by our values

Endurance | Forgiveness | Koinonia | Creation | Friendship
