## Message from our Head of School

Dear Parents and Carers,

The highlights of our week started last Saturday at the Fair in the Square and we have made it into the Ham and High newspaper once again. Thank you to our fabulous Choir. Also, it was a pleasure to be part of the PGL assembly this morning for Year Six, and we will post the photos of the trip on their Google Classrooms for you to enjoy again as soon as we can.

Well done to Year Four who took part in the Timetables Screening this week and we feel confident you did very well indeed, you powered through those questions!

Next week we have our Sports Days on Tuesday for the Infants and Thursday for the Juniors, which is a lot of fun. Infant parents come in your trainers as you may be called upon to enter the parents bean bag on the head race.

Keep cool this weekend and enjoy the sunshine safely.

# Year 2 3D Shapes

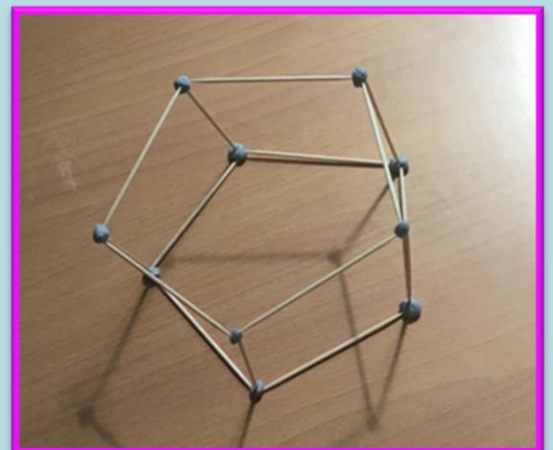

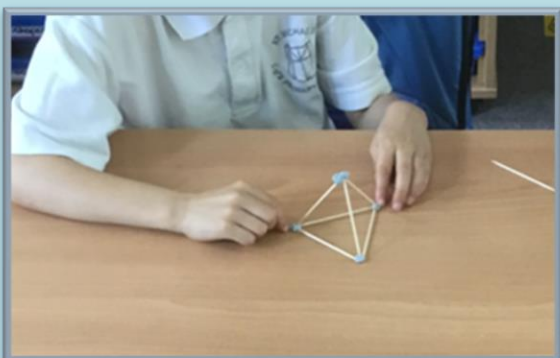

In Year 2 this week, we have been looking at the properties of 3D shapes.

We used toothpicks and blu-tak to help us understand how 3D shapes are constructed.

The sticks helped us understand the edges and the blu-tak helped us understand the vertices.

# *Year 5 and Year 2 Coding*

Here are some photos of the Year 5's helping the Year 2's with their coding and computing skills.
