

Governing Body Register of Interests for School Governors

The governing body and school staff have a responsibility to avoid any conflict between business and personal interests and the interests of the school. To help put this duty into practice and to meet legal requirements, all maintained schools maintain a register of interests. The register will ensure that governors' and Associate Members' personal interests do not unfairly prejudice, influence or conflict with school's decision making processes.

Name	Governor	Business interests declared	Governorships elsewhere declared	Relationships with members of staff and their relatives declared	Date form completed
