Message from our Head of School

Dear Parents and Carers,

Thank you for coming to our lovely cheese and wine night yesterday evening, organised by our SMSA. Everyone had a wonderful time trying all the different cheeses and wines in the hall.

The Bushell class family assembly was a 'rocking' success. It was all about different types of rocks and their characteristics. There was a rock award ceremony and an amazing rendition of 'Rocking All Over The World'. We had some great feedback from the parents and children, it was nice to hear all about what Bushell class have been learning in their science lessons. I'm excited to see what Deutscher class have planned for their family assembly next week!

I also look forward to seeing every getting into the festive spirit at the Christmas fair next Sunday 4th December. Have a lovely weekend.

Fran Sorapure

Stars of the Week

Going Above And Beyond

Year 2
Theo &
Anastasios

Year 4
Lizzy &
Alfie

Year 6
Daisy &
Sinit

Year 1
Penelope &
Henry

Year 3
Alice &
Noah

Year 5
Amal,
Ruben &
Sammy

Mozart class in reception have been working on a gratitude tree. They have been learning about the word gratitude and what it means to be grateful. Each child has designed a leaf with a picture of something or someone they're grateful for, which is now up on display.

Year 3 Bushell Class Assembly

Today we were treated to a scintillating assembly from Bushell Class all about Rocks. Mr Ronchetti has fact-checked the assembly and confirmed that everything the children said was true.

Well done to all the children for learning their lines and performing so well in front of the Juniors, their parents and siblings. Not to mention the fact they did this, despite the strong winter sun glaring in their eyes. Congratulations.

As part of our creative arts curriculum, Year 6 are spending this half term studying architecture.

Both classes were lucky enough to receive an inspiring visit from a real architect - Emil's dad in Year 6 Glennie! He talked to the children about everything from his favourite buildings in the world, to how to become an architect when they're older.

On Tuesday the 22nd of November we took a squad of 11 talented girls to Channing School for a day of fun netball activities.

They did amazingly. It's clear that St Michaels girls really have a deep passion for netball. Every girl here had a big smile across their faces demonstrating their wonderful team-work and passion. They were all showing our school values: **Koinonia, Endurance, Friendship, Creation, Forgiveness.**

ST MICHAEL'S IS A NUT-FREE SCHOOL

We have to look after all our children

which means no nuts

please bring in
healthy, nut-free snacks

to help keep your children &
their friends safe

House Points & Attendance

Class House Point Winners
