10th February 2023

Message from our Head of School

Fran Jorapure

Dear Parents and Carers,

This morning Year Four Jones Class held their celebratory family assembly, which rounded off spring one term perfectly. The theme was inspirational women in history, quoting women such as, Emmeline Pankhurst "Words not deeds" and Amelia Earhart "Your fear can take you to places where you store courage". These words were wonderfully demonstrated by the children's performances, they were all so brave, collaborative and highly creative. Thank you to their class Teacher Ms Orson and her amazing prop making skills. We loved the airplane! (see picture below).

I hope you have a good half term holiday and we look forward to seeing you all on Monday 20th February 2023.

Best wishes,

Fran Sorapure

School vision

We believe our children's future is created every day. Every moment counts.

Brought to life through our mission

To nurture and inspire our children to develop a love of learning in a supportive Christian community and become the best they can be.

Underpinned by our values
Endurance | Forgiveness | Koinonia | Creation | Friendship

Ms Orson and her amazing prop making skills for her class family assembly today.

EYFS PARENT VISIT

WITH JENNIFER MICHALSKI-BRAY

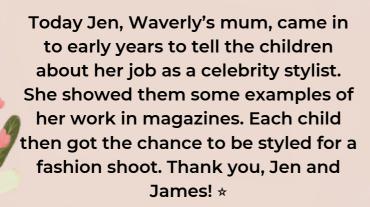

EYFS Parent Visit

With Dr Ammar (Insiya's Dad)

Early Years had a visit from Insiya's dad, Dr Ammar who is a Neurosurgeon. We learnt that Neurosurgeons are doctors for the brain. We spoke about the brain and how we can keep it safe from injury and healthy by exercising regularly, learning new information, drinking water and eating nutritious foods. Dr Ammar taught us that no matter what we're doing, our brains are always active. We compared the size of our brains to those of other living things.

EYFS Parent Visit

On Monday, Otis' mum Clara, came in to Early Years tell us about her job in the marketing world. She showed us a few different products and we thought about what we use them for. We spoke about production lines and watched a really interesting video about how a product was made, labelled and then packaged ready for consumers to buy.

Thank you Clara!

YEAR 3 TAKES A PEEK INTO HISTORY

"Some people had cups made from gold."

"I was amazed by the different ways fire was used in a house."

""Did you know that there are 8 million objects in the British Museum?"

homes."

""Why were there chickens hanging from the ceiling?"

This week the British Museum zoom-ed into our classrooms and took the children on a fascinating tour of prehistoric Britain, learning about the work of archaeologists and the daily lives of the people in Britain before the written records started by the Romans. We took a virtual tour of a prehistoric home and reviewed our knowledge of the artefacts in a Kahoot guiz. Above are some of our reflections on the session.

Fantastically Great Women who Changed the World

a Year 4 Jones Class assembly

Year 4 Jones assembly was all about our class book Fantastically Great Women who Changed the World. We acted out scenes inspired by some of the characters in the book and sang a song at the end.

Alexandra Cooper Assistant Head, Class Teacher

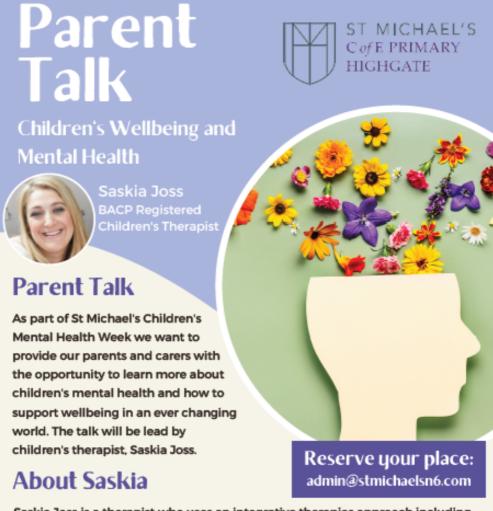

Sharon Provencal *Nursery Nurse*

Monica O'Hara Class Teacher

Parent Talk

We are excited to introduce our new Parent Talk series. We will be starting the series with Saskia Joss, a former teacher who is a BACP registered children's therapist. Saskia runs the Mill Hill Therapy Hub that supports children across North London. We look forward to welcoming her on Friday 24th February. The talk will begin at 9am and will run for approximately 45 minutes.

Saskia Joss is a therapist who uses an integrative therapies approach including talk, arts and play therapy to support young people through a range of emotional and psychological challenges.

The talk will detail ways in which you can support your child's mental health and wellbeing at home, using simple techniques that are really effective.

Date: Friday 24th February @ 9am Location: KS2 Hall
