

Dear Parents and Carers,

Monday 27th March 2023

I understand that it may have been a surprise when Mrs Gallagher wrote to you all on Friday explaining that I will be retiring this summer. As many of you know, this school means so much to me, and it wasn't a decision I've taken lightly. I've worked here for twenty amazing years, made so many close friends, and on a personal note, both my sons came here. St Michael's is such a special place, and I've been so very lucky to have been part of it. But I'm nearing that time of life where change is sadly inevitable, and would like to spend more time with my family, and move permanently to Swanage in Dorset. However, I'm looking forward to continuing my work and making lasting memories until my last day in July. Please do come and speak with me in the morning or after school if you have any questions or wish to talk.

I look forward to seeing everyone at the Easter Church Service on Thursday morning, led by Year Three, and thank you for all the Easter Eggs, ready for the raffle in school on Friday. Please look out for a stall selling raffle tickets in the morning and after school in the top playground.

Have a good week, and a polite reminder that school ends at 2pm on Friday for the Easter Holidays

Best wishes,

Fran Sorapure

Head of School
