

Dear Parents and Carers,

Tuesday 18th April 2023

Welcome back to a new summer term. This time of the year is always really busy and exciting with residential trips, productions and lots of events. Please use the school calendar on our website, in addition to our emails and letters, for updates and information: [Calendar – St Michael's School \(stmichaelsn6.com\)](http://stmichaelsn6.com)

This **Saturday 22nd April** (*Earth Day*) is our first **Big Dig** for a long time. A willing bunch of Gardening Angels, Ms Small and I are digging over the allotment from 10 am until mid-day. Please do come along and join us in making the outdoor learning area ready for planting. If you are interested please contact the office for more details.

We have parents' evenings this week for years Reception, One, Three, Four and Five and your class teacher looks forward to meeting you in your child's classroom.

This week our collective worship from the Bible is **John 20:19-3**, the story about Doubting Thomas who did not believe the other disciples, when they said that Jesus was alive. Thomas wanted to see proof with his own eyes before he believed. Our school value is **Creation** and the **UNICEF Rights Article 24** Health, Food and the Environment which is linked to Earth Day, which is the annual celebration of the achievements of the environmental movement and to raise awareness of the need to protect Earth's natural resources for future generations.

Best wishes,

Fran Sorapure

Head of School
