

Dear Parents and Carers,

Monday 24th April 2023

I hope you had a good weekend. Ms Small and I certainly did, because on Saturday morning we spent time outside with lots of kind parents and children digging the school allotments. Thank you so much, it was fun, collaborative and energetic work. Please see the photos for our amazing results and look out for our next Big Dig coming soon.

This week is Autism Awareness Week and today's collective worship was led by Mr Holt, who shared his knowledge and personal experience of autism. The children listened carefully to his personal story, which links to our school value of Friendship, offering the hand of friendship to everyone with kindness and care.

This week our collective worship from the **Bible** is Luke 24:13-35 and the story of when Jesus appears to his friends on the road to Emmaus. The UNICEF Rights Article 21 - Children who are adopted and the right to a new start and a new home when care cannot be provided at your first home.

Take a look at the before and after photos on page two to see our Big Dig, and have a good week.

Best wishes

Fran Sorapure

Head of School

before and after
