Message
from our
Head of School

Fran Sorapure

Dear Parents and Carers,

I know it does not feel like May Day bank holiday is next Monday, but despite the weather the school have already began to use the newly cleared allotment and green house. Soon each class will have their own patch of the allotment, and please look out for future message from their class teachers.

I would like to thank everyone for their support on Thursday, for all the work the children did from home, and it was so lovely to see the very young children from nursery and reception take full advantage of the whole school, eating in the big hall, using the bottom field for forest school and one reception class took a sneaky peak at next years classrooms. Sitting on the chairs, trying out the carpet spaces and eating some of the fruit! They do sound a little like Goldilocks, only they didn't break anything. Two children in reception Heath and Raphy said "it was really good, the big hall was really big and they had table cloths."

Have a lovely weekend.

Forest School with EYFS

Everyone in Nursery and Reception enjoyed a day of Forest School activities, we took part in a variety of different arts activities as well as a bug hunt! We collected up a variety of different natural materials to help us to make clay tree faces. When we had finished we took the time to go and look at each others wonderful creations!! We then enjoyed some time making land art pieces inspired by the work of Andy Goldsworthy that we had been looking at in our classroom. In the afternoon we took the time to start and build some bug hotels, and enjoyed a science lesson where we went on a bug hunt. We had a fantastic but very tiring day together!

THREE LITTLE PIGS

This week the children learnt the story of The Three Little Pigs. They made story maps and their own puppets. The children acted out the story to their friends.

How to Help Children Overcome Fear and Anger

Saskia Joss
BACP Registered
Children's Therapist

Parent Talk

After the success of our last two Parent Talks, Saskia will join us again to provide us with some more insightful knowledge. The talk will detail how you can help children to overcome fear and anger using simple techniques that are really effective. Saskia will talk about the theory behind fear and anger, helping us to understand the root cause and how we can support our children.

About Saskia

Saskia Joss is a therapist who uses an integrative therapies approach including talk, arts and play therapy to support young people through a range of emotional and psychological challenges. You can visit her website here: <https://www.saskiajosstherapy.co.uk/>
