WEEKLY ROUNDUP NEWSLETTER

26th May 2023

Message
from our
Head of School

Fran Sorapure

Dear Parents and Carers,

Congratulations to Year One Smyth class for their wonderful assembly this morning and thank you to Mrs Kelly-Jay, Ms Small and Ms Bearryman for helping the children to shine so confidently.

Our wonderful year 6 children enjoyed a week away at PGL, it was a well deserved bit of fun after doing so well during SATs week. I'm sure they'll have lots of stories to tell you at the weekend when they come back!

We hope you have a lovely half term holiday and we look forward to seeing everyone back on Tuesday 6th of June.

Have a great week.

Fran Sorapure

School vision

We believe our children's future is created every day. Every moment counts.

Brought to life through our mission

To nurture and inspire our children to develop a love of learning in a supportive Christian community and become the best they can be.

Underpinned by our values

Endurance | Forgiveness | Koinonia | Creation | Friendship

HARINGEY ATHLETIC CHAMPIONS!

Congratulations to the girls and boys of St. Michael's athletics team!! They celebrated significant success at the 2023 Haringey Athletics Tournament which was held at the New River Stadium on Thursday. The girls were outstanding throughout and came away as CHAMPIONS in a competition against 16 other schools across Haringey.

The boys were also a huge success coming in bronze medal position out of 17 schools.

Their grit and determination was clear throughout and we are so proud of their achievements. The event included: 100m, 200m, 400m, 800m and 1500m and relay track events; and javelin, shot put, long jump and triple jump in the field.

Mr. Whiting was particularly impressed in how supportive and encouraging every child was towards one another. Successes were celebrated regardless of who they concerned, and care and sensitivity was evident towards those that made mistakes or did not achieve their personal expectations. Well done to the girls who were: Holly, Maizie, Alex, Darcy, Sania, Mabli, Jules, Mathilda and Srna. And the boys... Lorenzo, Alek, Amyas, Patrick, Jack, Jak, Ethan, David, Jacob and Bobby.

★ Well Done St Michaels Athletics Team!! ★

Year 3&4 Athletics Tournament

On Thursday the 11th May, 4 boys and 4 girls participated in a quad-kids athletics tournament at the New River Stadium.

They took part in several fun activity's including a lot of races! Years 3&4 did brilliantly!!! They took part in these activities: Howler, relay race, 400m, sprints and long jump.

They did wonderful at the tournament improving, learning new skills and tactics from one another! I think they all deserve a big round of applause for trying their very best! Thank you to Mr Braune, Miss Kelly and Valentina O'brien (Maxim's mum)!!!

Written by : Tienne (y6 sports media)

On Monday Year 6 embarked on their journey to PGL. Once they arrived they took part in some amazing actives which included canoeing and riding a zip line! The weather was amazing and the children had a wonderful time. A special thank you to Mr Whiting, Mr Hoskins-Holt, Ms O'Hara, Ms Kelly and Mr Coffield for accompanying the children on their fun time away!

YEAR 3 TRIP TO Roman Verulamium

"I really working
out the mosaic
patterns."

"How could
children learn
properly in that
noisy place!"

"I liked drawing
my own mosaic
design."

"So many things
the Romans used
are the same
today."

On Wednesday, Year 3 visited St Albans as part of their study of Roman Britain. We visited the museum with its fascinating archaeological displays and took part in a workshop, finding out what life was like in a market. We also looked at the incredible floral mosaic in the Hypocaust building nearby.

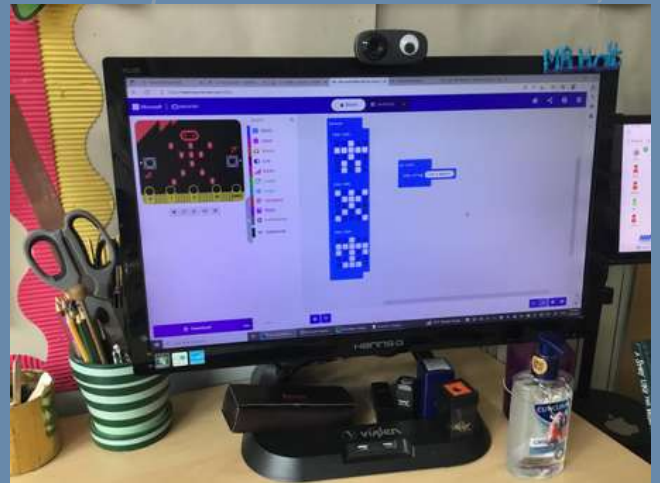

LEARNING TO CODE USING MICRO BITS

With Year 6 and
Mary Rebelo

A micro:bit is a tiny pocket sized computer. A micro:bit is for children to learn about the ways that software and hardware work together. Software describes the digital information that helps computers to run – for example, the apps on a mobile phone are a type of software. Hardware is the physical parts of a computer that allow the software to work. For example, this might include a motherboard. The Year 6's learned about how a computer works by coding different events and functions on their micro:bits- for example, they creating an electronic beating heart, a dancing robot and a digital dice!

We're Going to Find a Monster!

Huge well done to Y1 Smyth Class for their roar-some performance this morning in their family assembly. Y1 retold Malorie Balckman's story We're Going to Find a Monster after reading, acting and writing about the book in English lessons. Everyone spoke and sang clearly and confidently and should be incredibly proud of themselves!

**We're going
to find the
MONSTER!**

Nursery enjoyed looking at some different examples of land artists ~ including Nancy Holt and Andy Goldsworthy.

FOREST SCHOOL WITH NURSERY

They then looked at improving their weaving skills using naturally sourced materials from the school grounds. They experimented with texture, tone, shade all whilst working on their fine motor skills.

Hey showed great teamwork and were very pleased with the results, which were brought back to the EYFS playground and hung in the trees there.

Haringey Quad Kids

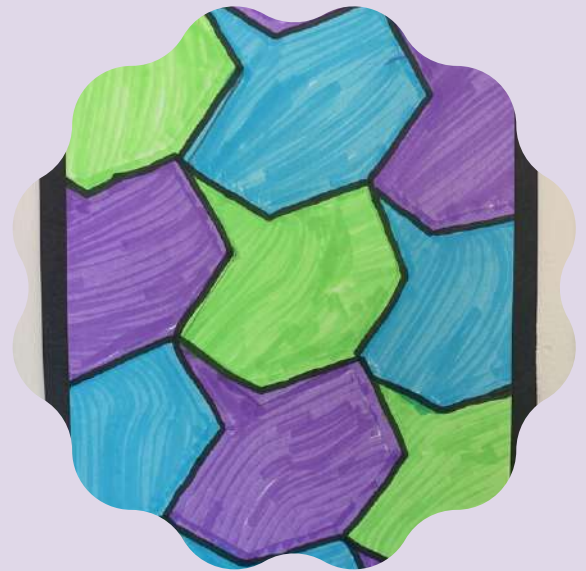

On Thursday, St Michaels competed in the Haringey Quad Kids event in which each athlete had to take part in track and field events. All students excelled in at least one event. Sam and Patrick congratulations on your excellent long javelin throws. Jack coming first in his 75m sprint and 600m run. Imogen coming first in her 75m sprint and second in the 600m run.

well done to the girls relay team coming first and winning by approximately 5 seconds!

YEAR 4 TESSELLATION CHALLENGE

To finish their unit on shape, Year 4 made patterns by tessellating shapes. They then coloured them in, outlined them and made a beautiful display.

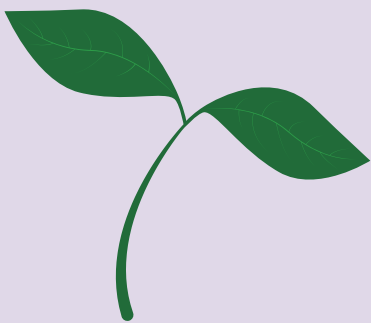

MOZART CLASS

Peace Garden

Last week the children in Mozart class visited the peace garden and had a go at some observational drawings.

They loved exploring this beautiful part of our school and created some fantastic art work!

Year 5&6 Cricket!

On Wednesday, Year 5 students competed in the Haringey Year 5/6 cricket tournament at North Middlesex Cricket Club. They played some really tough games and showed a great deal of endurance and Koinonia. They grew as the tournament went in and even won a match by over 100 runs!

Parent Talk

With Saskia Joss

Last Friday we had another successful Parent Talk with child's therapist, Saskia Joss. This time we learnt about Fear and Anger, why it happens and how we can help children handle these emotions. Thank you Saskia for another fantastic talk.!
