

Dear Parents and Carers,

Monday 17th July 2023

We look forward to seeing everyone at our Leavers Service at St Michael's Church on Thursday morning at 9:30 am. This is when we say goodbye to our current Year Six celebrating everything they have achieved, and bringing the whole school together to round off our wonderful academic year.

Silver: Rights Respecting School Award.

I would like to congratulate the whole school and Mr Davenport for their hard work and participation in achieving this award. Confirming our school is explicitly embedding the UN Convention on the Rights of the Child in our practice and culture. Our young people are beginning to see themselves as global citizens and advocates for fairness and children's rights. A special thank you to our Pupil Voice Team who were superbly confident and articulate during the assessment this morning.

This week our collective worship from the Bible is **Matthew 13:1-9**, when Jesus told the Parable of the Sower, how the seed represents God's word and how it is received by different people hearing it. The UNICEF Rights Article 29, the aims of Education and our school value this week is **Creation**.

Best wishes,

Fran Sorapure
Head of School
