Monday 18th September 2023

Dear Parents and Carers,

The children have settled into the new school year and this week we have the return of afternoon subjects for children in Years 3-6.

Today our collective worship focused on our school value of Forgiveness, and we shared the parable told by Jesus from Matthew 18:21-35, where he describes how many times we should forgive someone. The children discussed how forgiveness is a tool for mending a broken friendship.

This week we are also focusing on UNICEF Rights of the Child Article 38 - Protection in War, and marking International Day of Peace on the 21st September.

I hope you have a lovely week.

Best wishes,

A handwritten signature in grey ink that reads "Sinead O'Brien".

Sinead O'Brien
Head of School
