Dear Parents & Carers,

Many thanks to all our staff and pupils who came into school on Saturday for our Open Day and made it such a successful event.

We have another busy week at St Michael's with the school photographer coming in on Wednesday and Thursday to take individual and sibling photos.

Our Collective worship this week is from Philippians 2:1-13: The Christians in Philippi are divided, and Paul wants them to humbly serve each other to bring unity. Our school value is Friendship and at assembly this morning we discussed following Jesus' example by being kind and thinking of others and the UNICEF Rights of the Child is Article 28 Access to an education for all.

Have a lovely week
