

Monday 5th February 2024

Dear Parents and Carers,

We were lucky enough to have the team from Pathways into assembly this morning to present to the children. They shared the story of Mary and Martha, sisters who were chosen to have Jesus visit them in their home. Once Jesus was in the house, Martha busied herself cooking and cleaning whereas Mary sat and listened to Jesus share his stories. By focusing on the things that weren't important, Martha missed the opportunity to share in something wonderful.

This message ties in with our Bible reading for this week which is from **John 1:1-14** - "*Jesus is the Word of God. He is the light and life, God became flesh and shared human life bringing God's grace and truth*" We are encouraged to hear and recognise Jesus as the Word of God in all that we do.

Our School Value is : **Friendship** - love your neighbour as yourself and our **UNCRC is number 2**

I hope you all have a lovely week
