

Monday 11th March 2024

Dear Parents & Carers,

Happy Monday! Although it is a bit grey and overcast in Highgate, the children have started the week full of joy and enthusiasm. Thank you, to the NSPCC who came in to work with some classes today, as always, the sessions were well run and the children learnt a lot.

Our Year 1s are off on an adventure tomorrow to Westminster Abbey, I know they will have an amazing time. Also, this week Year 4 are heading to Flatford for their residential trip. The activities look fantastic and I am sure that they will all have lots of fun. Finally, this Friday is the turn of Reception Uluru to lead us in their Family Assembly. This is such a milestone in a pupil's journey throughout primary school and I am looking forward to seeing as many of you for the assembly and afterwards for a parents and carers' coffee morning in the Library from 9.30-10am.

Our Bible reference for this week is **1 Samuel 1:20-29** and reminds us to be thoughtful of others, remember to say please, thank you and acknowledge what others have done for us. Our UNCRC article is no discrimination and our value of the week is Friendship.

I hope you all have a lovely week

Sinead O'Brien
