

Monday 4th March 2024

Dear Parents & Carers,

Today Miss Orson launched Book Week in assembly and shared some of the exciting activities that are planned for this week.

The highlight will be on World Book Day and all pupils (and staff!) are invited to come dressed as a word. Friday's newsletter has some ideas on ways to do this.

The pupils will be bringing home a flyer today regarding the St Michael's Learning Fund, featuring the winning logo design from Chanel & Tiffany in year 6. The Learning Fund is used to refurbish, maintain and improve the school facilities as well as provide educational resources such as Chrome Books and I pads. The Learning Fund relies on the generosity of our parents and carers, and the school would struggle to undertake future improvements without these voluntary contributions.

Our Bible reading this week is Exodus 20:1-17 - The Ten Commandments: rules to live by and follow.

Our UNCRC is

And our School Value is Koinonia

I hope you all have a lovely week
