

Monday 22nd April 2024

Dear Parents & Carers,

I hope you all had a lovely weekend.

We began our week by thinking about the Bible reading **John 10:11-18 The Good Shepherd**. We discussed the attributes that are needed to be a good shepherd, including caring for your flock, feeding and protecting them. Jesus is often referred to as The Good Shepherd and the pupils were able to identify the key qualities that he exhibited in order to be the shepherd of people. These are kindness, protection and the willingness to keep looking for us when we are lost.

Our **UNCRC** right this week is Life Survival and Development and on Earth Day it is even more important that we focus on fair access to health, water and food for all people in order to be able to survive. Our value of the week is **Friendship**.

I hope you all have a lovely week - I look forward to seeing lots of parents and carers at our World Heritage Day celebration on Wednesday. I would also like to mention we have a plant sale this Saturday 27th April, in the top playground, 9am – 2pm and SMSA have their moved their meeting to Thursday 25th April at 6.30-7.30pm.

Best wishes

Sinead O'Brien
