

WEEKLY ROUNDUP

NEWSLETTER

10th May 2024

Message from our Head of School

Sinead O'Brien Dear Parents & Carers,

I hope you have all had a lovely week. The gorgeous sunshine has meant that St Michael's has been even more of a cheerful place than usual this week and it has been so wonderful to see the grounds being used for outdoor learning activities as well as break time fun!

Thank you to Denali Class for their fantastic assembly this morning. We were treated to amazing historical facts, wonderful acting and the singing was superb, plus they managed to get the word Cochopany into the assembly which was amazing!

This Sunday is the return of Footie Fun Day. I have heard that this is a great day and not to be missed! Good luck to all the teams!

Finally- next week is SATS week and our Year 6 pupils will be sitting the national tests alongside primary pupils up and down the country. We wish them the very best of luck and know that they will be absolute superstars. If your child is sitting SATS next week, please ensure they have an early night and a big breakfast so they are on top form.

I hope you all have a great weekend, see you on Monday Sinead O'Brien

> Let Us Pray Dear Lord,

Help me, not only with this test, but the many tests of life that are sure to come. Be gracious with what I have overlooked. Help me to remain focussed and calm, confident in the facts and my ability and firm in the knowledge that no matter what happens today you are there with me Amen

KEY DATES

Apple Sponge wheat, egg & Custard milk	Ice Cream milk with Fresh Fruit Wedges	Fresh Fruit & Yoghurt	Mixed Berry Oat Bar wheat	Shortbread wheat
Available daily				HARRISON food with thought

Nursery

We have been studying mini beasts as part of our Forest Schools work in Nursery this term.

The class really enjoyed using the new mini microscopes from Mr Ronchetti to help them to collect and identify the different insects found.

We discovered, slugs, snails, millipedes, wood louse, ants, greenfly, worms and centipedes.

The children are looking forward to more hunting, photographing their finds and creating some artworks from them.

Nursery

The children in nursery have enjoyed looking for new residents for our worm farm this week! We have enjoyed learning to follow instructions to build it, collect worms, and also look at the different types of food that are appropriate to feed them.

We have used the peel, stems and cores of our afternoon snacks to feed them, and in turn cut down on waste that we produce. We will be using the lovely products the worms produce to help fertilise the plants we have been growing.

Everyone is excited about the bumper crop of potatoes that we are hoping to harvest soon.....

Nursery

We have enjoyed experimenting with the new materials we have in our construction area outside. The sets have allowed us to experiment with, doing different roads, bridges and ramps for cars that we have built. We had a variety of different surfaces that we have perimeter with for our roads, to see which ones were the fastest!

In Machu Picchu we made courgette and feta cheese muffins during our cooking session!

Uluru reception class enjoyed relaxing by the pond with a good book!

Uluru reception class went onto the field again for our PE lesson. The children were excited to run around the running track and racing each other.

The children were put into small teams and raced against each other.

After the lesson the children were allowed to play on the field for a little while where they decided to do some exercises with their friends.

The children in Uluru Reception Class worked together to build a magnificent house using the Fort Architect Construction Set.

They talked about strategies needed to build a strong, secure house.

They decorated it with fabrics and cushions. The children then furnished it with objects from the home corner and had lots of fun playing inside it.

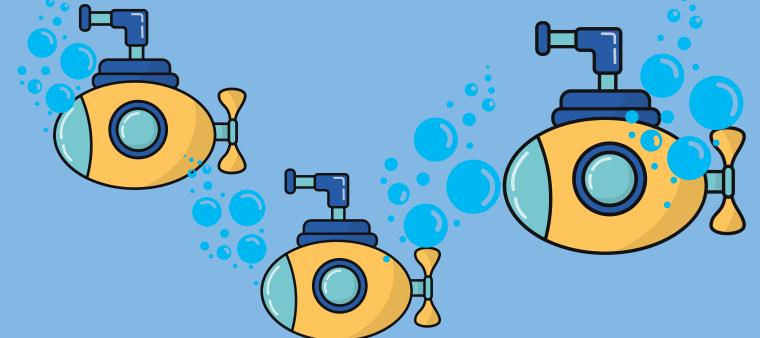

Year 1 Denali

Congratulations Denali Class!
The children did a wonderful job performing in their class assembly, highlighting what they have been learning in Y1.

Punctuality

We want to emphasise the importance of being in school on time as there have been numerous incidents of some families routinely arriving at school at 9.00 a.m. or later and collecting their children after 3.30pm

Registration starts at 8.50 a.m. every day.

Children who arrive late are greatly disadvantaged because they miss starting the day with their peers and the beginning of lessons. This means that they are often unsettled and confused about tasks.

It is essential that you ensure that your child arrives at school on time to prevent disruption to your child's own learning and that of others.

We are required to monitor children's punctuality and attendance.
On-going lateness (after the class register has been taken) is classified as an unauthorised absence under the terms of The Education Act.
We understand that there may be rare occasions when you are unavoidably late due to unforeseen circumstances. On these occasions please make sure that you contact the school office to inform us when you will arrive.

High levels of unauthorised absences or poor punctuality can result in a referral to the Educational Welfare Service or other agencies which have a duty to investigate further and could result in legal action being taken against you.

If you are experiencing difficulties with punctuality and would like to talk to us about it, please make an appointment to do so.

Please keep in mind that Breakfast Club is available to children from 7.45 am.

SMSA Update

Remember it's Footy Funday this Sunday from 12pm.

Please remember to buy your tickets for this event

on Classlist.

https://app.classlist.com/parent/#/events/view/1143511044

Due to popular demand we are extending our online auction so please support the school by bidding on the wonderful lots on offer

https://www.32auctions.com/SMSA2024

Next week it's Y1 Aoraki's cake sale, please come and support them.

We will have details of our Fun Run out soon after Footy Funday - This is happening on the 9th of June.

Have a good weekend

GettingReady for Reception

Starting Reception is a big milestone in any child and parent's life. The first day of a new school can create anxiety in both parents and children, especially for autistic pupils, and those with speech, language and communication needs.

Please join us at:

RokeslyInfant and Nursery School Hermiston Avenue London, N8 8NH

Date: Tuesday 21stMay 2024

Time: 9.30am -11am

This session will give you an insight into the transition process and provide you with strategies to support you to work in partnership with staff, to help with a smooth and positive start to school life for your child.

Please book in advance for this meeting. to Click here to register:
